

Dear Dream Chasers Families,

We are excited to share an important update regarding our recreational gymnastics program.

Beginning June 1, 2026, Dream Chasers Gymnastics will transition from a pay-per-session model to a monthly tuition structure for all recreational classes.

Registration is now open!

This change allows us to provide a more consistent experience for our athletes, simplify billing for families, and continue to grow and enhance our program.

What this means for you:

- Tuition will be billed monthly based on your child's class enrollment
 - First month's tuition will be required with registration
 - Next monthly payment will be the 1st of the month after the first class of the session (July 1st)
- Your athlete's scheduled class day and time will remain the same
- Tuition reserves your child's spot in class each week

Monthly Tuition Rates:

- 30-minute class: \$95/month
- 45-minute class: \$105/month
- 60-minute class: \$115/month
- Add a 2nd class and receive 10% off the second-class tuition

Additional Details:

- A \$50 annual registration fee is required to enroll in classes (once per year)
 - 10% discount for the second child
- Tuition is based on enrollment, not attendance
- Make-up classes will be available (1 per month, must be used within 30 days)
- A 30-day written notice is required to withdraw from a class

Spots are limited and will be filled on a first-come, first-served basis, so we encourage you to register early to secure your child's spot.

We believe this new structure will create a better overall experience for our families while allowing us to continue delivering high-quality instruction in a more consistent and organized way.

If you have any questions, please do not hesitate to reach out. We truly appreciate your continued support and look forward to growing with your gymnast!

Sincerely,
Dream Chasers Gymnastics
